## Certificate of Analysis

acc. to DIN EN 10204 3.1

Product : **T01-30138HF**  
**RED M 5**  
**HALOGENFREE**  
**PAD PRINTING INK**

Batch : 14008744  
Order number : 55564  
Date : 29.08.2014

Test	Result	Target	Low. value	Upp. value	Unit
Viscosity BROOKFIELD 20°C	220	220	200	240	dPas
fineness of grain grindometer	6	< 10			µm
color reference TCM 45/0	1,2	< 2,5			DE

Preceding information is the result of our quality inspection and shows no guarantee of product features which can be found in the technical datasheet.

This certificate is generated by computer from our test data and carries no signature.
